

Professional Development Training with Luca Silvestrini's Protein

Join Protein to learn more about our Real Life Real Dance programme and develop your own skills in leading creative projects with and for young people. Learn about the specific challenges and positive outcomes of delivering performance projects within pupil referral units, refresh your knowledge around Child Protection and discover more about how dance can support social inclusion. Two days of professional development will include specialist guest speakers from a local Pupil Referral Unit (PRU), Dance United Yorkshire, as well as experiencing Protein's inclusive practice.

Don't miss this chance to access this two-day training in an open, engaging and informal way. Suitable for professionals working and/or interested in community dance settings. Spaces are limited so book now to avoid disappointment.
